

ION 2018 North American Regional

Monday September 17, 2018 - Wednesday
September 19, 2018

We are excited to announce that registration is now open for the ION North America Regional Conference in Orlando, FL (Sept 17-19), which will be held at the Wyndham Orlando Resort.

Through our theme, *Orality: Many Applications - One Mandate*, we will explore together how we can be inspired by the creativity of God and honor the diversity of the communities in our midst as we seek to use oral methods, new forms of media, and other creative expression to communicate the richness of God's story.

Is Orality effective? There is a growing recognition of the benefits of Orality methods and strategies right here in the North American context. You'll be exposed to examples and impact stories of how it is working in churches and communities in the region, as well as learning about the latest in research and practices.

Go to: www.ionevents.org for more details and to register. Any questions, please E-mail Rick Brekelbaum at rickbrek1@gmail.com
